PITTSBURGH STEEL COMPANY BUYS CAPT. BROWN'S COAL INTERESTS

Two Mines, Big Coal Acreage And Boats and Barges in Deal

TRANSFER WAS MADE THIS WEEK

A big coal deal was consummated during the week at Brownsville, in which the coal and transportation interests of Capt. W. Harry Brown were transferred to the Pittsburgh Steel Company for a price approximating $5,000,000. The deal includes Alicia Nos. 1 and 2 mines, including extensive coal holdings in Fayette and Greene counties, as well as the floating stock of the company. This latter features takes in two steamboats and about 25 barges used for the transportation of coke and coal.

The Alicia mine No. 1 is located a short distance above Brownsville and is equipped with several hundred coke ovens, as well as all the machinery for an up-to-date mine. Capt. Brown also has just completed at the latter place a fine set of marine ways, which are now in operation, and which are capable of taking care of the largest craft on the river.

Alicia mine No. 2, now in course of construction, is located in the seventh pool, and will develop a large area of coal in that section. Capt. Brown has had operations under way at that place for several months, and is now capable of producing a considerable amount of coal.

The acquisition of these two plants which embraces several thousand acres of coal land, will put the Pittsburgh Steel Company in an independent position for its fuel supply both in coal and coke, while the barges and steamers will give it transportation facilities for handling its own output. The coal and coke can be transported to the docks at Wireton where it will be unloaded for the Monessen mills. The fuel needs of the Allenport and Glassport mills will also be looked after from this new source of supply, which will no doubt be able to produce all the coal the big steel compsny may need in the operation of its various mills.

NEW MARINE WAYS ARE WORKING SMOOTHLY

The new marine ways of the Vesta Coal Company at Floreffe, a short distance above West Elizabeth, are now in operation, the first craft pulled out being two big steel barges to be repaired and repainted. Supt. Sesher expects within a few days to have two steamers of the Vesta line on the benches for minor repairs. He says everything about the plant is working smoothly and that a busy season of work is expected.

Oates Shoppe will show the newest in both extreme and conservative styles for Spring at their opening Saturday, March 15. 236-t3

DONORA PHYSICIAN IS DECORATED BY BRITISH

Sixty-six American army medical officers and men have been decorated by the British government for bravery and distinguished service in the war, Surgeon-General Ireland was advised on Thursday by the British war office. Officers awarded the military cross include Lieut. Torrance J. Hanlon, of Donora, who served in the war with the British Army, having been loaned to the Bhitish by the American forces.

POSTPONE DATE OF FINANCE CAMPAIGN

The Methodist centenary finance campaign, originally scheduled for April 27 to May 2, has been postponed until May 18 to May 25. Announcement to this effect was made Thursday evening by Rev. Dr. Appleton Bash, executive secretary of the Pittsburgh area of the $100,000,000 drive, at a meeting of the officials of the Asbury Methodist church at the William Penn Hotel.

Dr. Bash stated that he had received a telegram from C. S. Ward, national finance campaign director, informing him that the treasury department had requested that the date of the campaign be changed so as not to conflict with the Victory Loan drive.

COMMISSIONERS MAY DESIGNATE ROADS

The State Highway department will follow the preferences of county commissioners as to the roads on which construction will first be done, said Highway Commissioner Sadler in Harrisburg on Wednesday. "The department has received many requests for state-aid constructon, and we are arranging our course to such cases," said Mr. Sadler. "We will not build crooked roads where it is going to be possible to construct straight ones, and it is almost always possible." It is the evident desire of the State Highway Commissioner to map out the primary road program to the best advantage of the state, and allow the county and township authorities to take care of the lateral roads.

The Queen Esther Circle of the Home Mission Auxiliary will organize the Home Guards at the M. E. church tomorrow afternoon at 2:30 o'clock. Everybody welcome. The parents of children are especially invited.

Raid On Donora Merchants Disclose Some Peculiar Facts

The recent raid on Donora merchants by the Sealer of Weights and Measures of the county, Mr. Mikesell, accmpanied by County Controller T. J. Underwood, does not appear to be so serious as at first was supposed. The raid was made on Friday and Saturday of last week, merchants did not check up exactly as to weight. As a result of this checking up, informations were made against 42 of the merchants of that town, who were given a hearing before Justice of the Peace Grover Wing to the "American" after hearing Boyd, on Friday afternoon. Accordthe evidence the justice decided that only two cases justified the maximum fine, two were discharged, several were released upon payment of the costs, while the majority pleaded no defense and paid the minimum costs.

The only case that had the earmarks of a deliberate attempt at cheating was that of a huckster who sold a half bushel of potatoes which checked up short at the rate of 13 pounds to the bushel. The huckster was fined $25 and costs. He paid the fine, but later returned to the justice's office for a transcript of the docket and announced his intention of appealing his case on the ground that the costs were excessive.

Attorney Rufus Marriner, of Washington, appeared for the prosecuting officials. Each of the merchants were advised to pay the fine and costs to avoid an expensive court case, and as a result they entered a plea of guilty. The 42 cases netted $372 in fines, which were paid by the justice into the county treasury

The American, in speaking of these cases said: "The raid had two visible effects. The county treasury has been enriched by nearly $400 and the Donora merchants as a whole have been placed in a false and unjust light before the public. The most plausible explanation of the raid is that Controller Underwood, who personally supervised it and paid for the purchases from his own pocket, took advantage of Mikesell's helpless position to force the coup in the hope of gaining popular momentum for his sheriff candidacy which he will announce to the voters of the county soon."

PLEADS GUILTY TO CHARGE OF MURDER

Emmett Chisholm, a Negro, charged with shooting and killing John Roush, a mine foreman at Gallatin, Forward township, Allegheny county on the 5th of last July, entered a plea of guilty to an indictment of murder in the Allegheny county criminal court on Wednesday, before Judge Quigley, of Center county who was presiding. Chisholm claimed that Roush attacked him and knocked him down and when he saw Roush making for him in a threatening manner, he drew his revolver and fired. The court will sentence the defendant on Saturday.

QUEEN ESTHER CIRCLE HOLDS REGULAR MEETING

The Queen Esther Circle of the Methodist Episcopal church met Friday evening at the home of Mrs. L. J. Mitchell of Meadow Avenue, with Miss Elizabeth Hall as leader. The subject of Child Labor and its relation to conditions in our own town was discussed. Mrs. Earl Nicholson sang a solo and Miss Hattie Doyle played a piano solo. Nine new members were admitted to the circle. Lunch was served by the hostess. Tee next meeting will be held at the home of Mrs. B. D. Hetrick on April 11th.

MONESSEN WINS THE FIRST GAME

The Monessen High School basket ball team won its initial game for the final championship of the Western Pennsylvania Interscholastic Athletic League, by defeating the Westinghouse High of Brushton at the Trees gymnasium, University of Pittsburg, Friday evening. The game was exceedingly close and Monessen won out in the final 30 seconds of play, when they caged a basket that gave them the lead, which Westinghouse in the few remaining seconds of play could not overcome. The Westinghouse team led in the first half of the game, but Monessen came back strong in the second, and through the fine work of the Conn brothers overcame their opponents and finally took the game. About 500 Monessen "rooters" were on hand to cheer their team to victory, and they were given abundant opportunity to exercise their lung power.

The next game in the series will take place between Tarentum High and Braddock High this evening, at the Trees gymnasium.

DRASTIC STATE HIGHWAY LAWS

Those Who Obstruct Roads By Holding To The Middle Must Reform

WILL SPECIFY SIZE OF TRUCKS

Truck drivers who hold the middle of the road, regardless of traffic, and who hold up automobiles, are going to be regulated, as well as the weight width and length of the big vehicles, which are coming into such extensive use in transportation on the highways of the state, under plans now being made by the state administration. During the discussion of maximum weight, which will furnish the basis for the State Highway Department's highway constructon plans and specifications, numerous complaints have come to the office of the Governor and the Highway Department about "road hogs," and "speed devils." Truck drivers appear to be the chief offenders in the former class, and from all accounts instances have occurred wherein they have maintained positions in travel which have been unwarranted and forced passenger cars to stay behind them when a change of about a foot or 18 inches would have been ample to permit traffic to go uninterruptedly.

The same trouble was encountered on the Lincoln Highway some few years ago, at which time members of the state constabulary were assigned to duty along that thoroughfare, with a result that the troubles complained of were soon broken up. It is necessary it is believed the state will adopt the same method to break up the present practice, which is said to be particularly annoying near the larger cities. In the meantime legislation is being framed which will restrict the size and capacity of trucks using the highways of the state. A seven-ton truck with a seven-ton load, 90 inches tread and 26 feet in length seems to be the size which meets with greatest favor on the part of state officials.

PRELIMINARY PLANS ABOUT COMPLETED

Engineers who have been at work on the survey for the big steel plant of the American Bridge Company at Elrama, have about completed their work. The plans for the buildings and placing of machinery have all been completed, and just as soon as an appropriation for the work is made by the United States Steel Corporation, the work of construction will begin. The new site is one of the finest locations for an industrial plant in the Monongahela valley and when construction work is once under way will bring thousands to that section of the valley.

"LATIN QUARTER" OF TOKYO

All Kinds of Schools and Colleges for the Seeker of Knowledge to Be Found There.

Tokyo, considered the educational center of the country, vibrates with student life. In addition to its Imperial university, there are two large private universities with over 12,000 students, various technical schools, commercial schools, normal colleges, high schools, middle schools, a foreign language school, Buddhist and missionary schools and 234 primary schools, Gertrude Emerson writes in Asia Magazine.

The presence of thousands of young students from distant parts of the country who have answered the lure of the capital has brought about a curious housing problem. Many schools provide their own dormitories; most of the provinces support one, and certain philanthropic persons make contributions. The greater number of these Tokyo dormitories and boarding houses are located in the quarter of Kanda, or the "Latin Quarter," as the students themselves euphemistically call it. Jimbo Cho, the principal thoroughfare, with its rows and rows of little open-fronted second-hand book shops catering to the promiscuous student taste, almost rivals the Quais of Paris. A tour of inspection will throw an interesting side light on young Japan's mental furniture. There is invariably a section devoted to foreign books, most English translations of such writers as Maupassant, Zola, Baudelaire, Maeterlinck, and the Russians; Ibsen, Oscar Wilde, Shaw and, by the way of showing the open mindedness of the age, Schopenhauer and Conan Doyle very frequently side by side on the same shelf. Then there are volumes of theology and innumerable "Self Helps to Practical English." It is a curious, indigestible, ill assorted mass of literary material—this that the Japanese student avidly swallows, like a prescribed dose, convinced that with one gulp he will become master of all Western wisdom.

DEMAND FOR HOLY PLACES

So Long as Religion Exists There Must Be Spots Devoted by Men to Veneration.

As long as religion exists men will look for its holy places. If they do not find its sanctuaries ready at hand in the natural features of the country in which they live, or if they are not provided with places consecrated by the history of the past, they will make them for themselves in their churches and their shrines.

Men need some special place where they can know that they are in the Divine presence and can offer their homage before his throne. The places of men's veneration are frequently impressive and beautiful, but, on the other hand, they may be the barest buildings, having nothing of grace or beauty to please the eye. Yet the meanest building becomes ablaze with Divine glory to those who have met God within its walls. And where generation after generation of men, each in its turn, has bent in reverence to worship, or to listen in faith to the word of the most high in warning, encouragement or comfort as they most need, they have dedicated holy places with a reverence due to the honor of God and the memory of his people.—London Times.

The Ancient Quipu.

The quipu reached its most elaborate form among the Peruvians, from whose language the term "quipu," meaning "knot," is borrowed. It consists of a main cord, to which are fastened at given distances thinner cords of different colors, each cord being knotted in divers ways for special purposes, and each color having its own significance. Red strands stood for soldiers, yellow for gold, white for silver, green for corn, and so forth, while a single knot meant ten, two knots meant twenty, double knots two hundred. Such simple devices served manifold purposes. Besides their convenience in reckoning, they were used for keeping the annals of the empire of the Incas; for transmitting orders to outlying provinces; for registering details of the army.

Individuality in Groves.

To many people a grove is a grove, and all groves are alike. There is as marked a difference between different forests as between different communities. A grove of pines without underbrush, carpeted with the fine-fingered russet leaves of the pine, and odorous of resinous gums, has scarcely a trace of likeness to a maple woods, either in the insects, the birds, the shrubs, the light and shade, or the sound of its leaves. . . . At any rate, the first pines must have grown on the sea shore, and learned their first accents from the surf and the waves; and their posterity have borne it inland to the mountains.—Henry Ward Beecher.

Liberty Is Responsibility.

Peace and order and security and liberty are safe so long as love of country burns in the heart of the people. It should not be forgotten, however, that liberty does not mean lawlessness. Liberty to make our own laws does not give us license to break them. Liberty to make our own laws commands a duty to observe them ourselves and to enforce obedience among all others within their jurisdiction. Liberty is responsibility, and responsibility is duty, and that duty is to preserve the exceptional liberty we enjoy within the law and for the law and by the law.—McKinley.

No More Days Of Less

Meatless, heatless, wheatless are days of the past; but the thrift born of them is with us to stay.

To demand the utmost for a dollar is one great lesson the world has learned. Along with other days of less, it has cancelled days of less service.

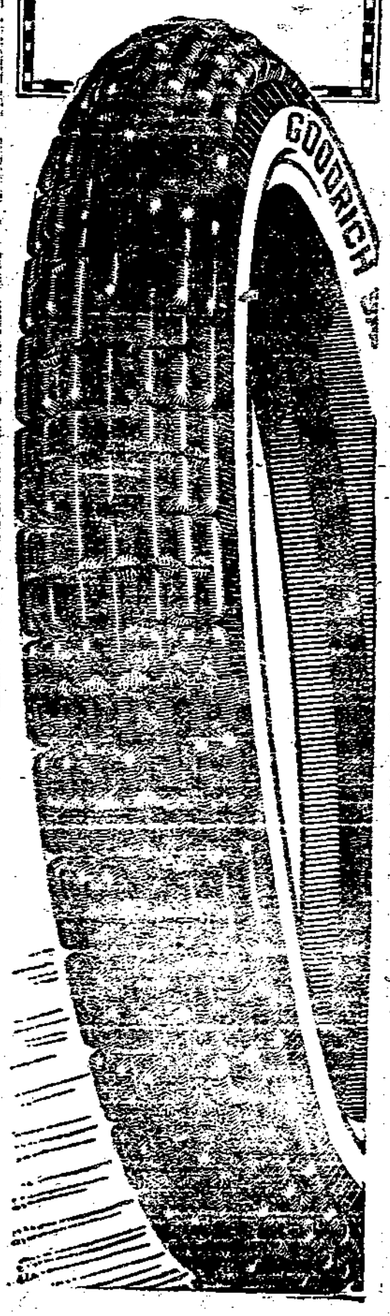
Service has always been the Goodrich measure of the value of tires; that is, what a tire proves itself worth you in service on your car, and on the road.

You see promise of service in the burly, full rounded bodies of Goodrich Service Value Tires; and their thicker SAFETY TREADS, extra wide to fortify the sidewall against rut-grinding.

You get fulfillment of promised *service value* in their dependability and durability wherever you take them.

Buy Goodrich Tires from a Dealer

GOODRICH TIRES
"BEST IN THE LONG RUN"



Why B-Zol gives 30 per cent more mileage and no carbon trouble

THAT B-Zol gives 30 per cent more mileage, more power and absolute freedom from carbon trouble and engine "knocking" is a tested fact! Here are the principal reasons:

1.— Each gallon of B-Zol contains 20 per cent more heat units than a gallon of gasoline, and its nature is such that a higher percentage of each gallon is consumed—which means less waste.

2.— B-Zol gives no carbon trouble and no "knocking" at low or high speed because it can be run with excess air and because the compression and ignition are such as to make a smoother explosion—

3.— Less lubricating oil is required when B Zol is used because B-Zol does not condense and mix with the cylinder oil, as does gasoline.

Make a trial for yourself and prove these statements.

B-Zol is refined and produced by KOPPERS PRODUCTS CO., Pittsburgh

PAINS AND ACHES YIELD QUICKLY TO SLOAN'S LINIMENT

Are you tormented by Neuralgia, Lumbago, Sciatica or any of those aches that require a counter-irritant? Then let the soothing, warming application of Sloan's Liniment stop the pain by drawing the blood away from the congested part.

It is the pressure on the nerves by the blood rushing to the inflamed muscle or joint that makes you ache. So when Sloan's Liniment relieves the swollen blood vessels by setting up a counter-irritant on the surface, the circulation is equalized, sympathetic nerves all soothed, and soreness or lameness disappears.

Sloan's Liniment is probably the counter-irritant most widely used to overcome painful inflammation in cases of neuralgia, sore muscles, wrenched joints, strains, bruises, gout. Rubbing is not required. This clear, clean liquid is easily applied as it does not stain the skin.

Generous size bottles at your druggists.

Sloan's KILLS PAIN

THE HOUSE IN ORDER

Now that spring is coming close on the heels of peace this is peculiarly the season for putting the house in order. Not only the house individual but the house national.

It is the time to make a clean job of it and do it well.

For we hope, all of us, to make this next year the best by long odds the country has enjoyed in many a decade. Every condition is right for it.

New and broader fields for industrial and commercial endeavor than we have ever enjoyed are opening before us. Inviting us, in fact, to come and see and conquer.

For the storehouses of the world have been emptied during four years of obstructing, destroying, devastating war.

Uncle Sam appreciates the situation fully, far more than we do individually. Wants to take full advantage of the opportunity. Hopes to be able to give American enterprise the greatest chance in its history.

But Uncle Sam is handicapped. He needs money. He asks us to help finance the project. To loan him, temporarily, just as many of our dollars as we can.

And unless we rally unitedly to his support, we will hamstring our own future, our greatest opportunity of all time.

We have seen, during these last four years, just what it means to have industry going at high speed, smashing along full tilt, working night and day shifts.

We have come to know what really living-wages mean.

We have had a taste of thrift and have come to like it.

Let's all do our level best to keep the pace we have been setting.

Uncle Sam's Victory Liberty Loan will work wonders for us all if it is the tremendous success we can and should make it.

If it fails, and prosperity dwindles, we will have only ourselves to blame.

We had best take a financial inventory. Cast up accounts.

And get ready to lend every dollar we can spare.

It means far more to you than you realize.

The Brazilians are not so entirely satisfied as are some other people that pro-Germanism has ceased to be League, for example, has sent a petition to the President of the Republic asking that steps shall be taken to cancel German concessions in Southern Brazil, especially the Hansa colonization concession. It was in the southern states that Brazil was confronted with serious difficulty in dealing with German colonists in 1917. The colonists had planned to Germanize the country. The menace was particularly grave in Santa Catalina and Rio Grande do Sul. The Pro-Ally League now insists that public safety demands the definite elimination of German political and commercial influence in these states. Having been deceived once, the Brazilians do not intend to be deceived in the same way and in the same quarters, again.

Public debates between distinguished men on the League of Nations will no doubt be illuminating. They will also contain a fund of information on this important document, and will give the public many new angles from which to view the proposed alliance. Generally speaking everybody is opposed to war and all peoples are willing to go into a combination to keep the peace of the world, but in framing the rules we have discovered many. The constitution of the proposed league will have to pass muster before the United States before it can become a law unto us, and maybe the peace commissioners now in session at Paris will so amend it as to meet all objections. In which case it no doubt will be approved.

Attend Oates Shoppe Millinery Opening, Saturday, March 15. 236-3t

No More Running Sores

Hennings Drug Store and Piper Bros. Druggists, Sell an Ointment Called San Cura That is a Positive Relief.

It matters not now old, persistent or poisonous the sore is, San Cura Ointment the powerful antiseptic, will draw out the poison and promptly heal the sore.

So sure of this are the owners, the Thompson Medical Co., that they have authorized Hennings Drug store and Piper Bros., druggists to return the purchase price if San Cura Ointment doesn't do all this paper says it will do. No fairer offer was ever made.

B. D. Dutton, Titusville, Pa., says "My arm was covered with twenty-four running sores and swollen to twice its natural size. San Cura Ointment relieved the pain, drew out the poison and healed the arm in an incredibly short time. It is the greatest compound for healing I ever used."

The healing powers of San Cura Ointment are little short of marvelous. It gives relief, and is guaranteed to help salt rheum, eczema, bleeding, itching or protruding piles, ulcers, boils, carbuncles, chapped hands and chilblains. In cuts, burns, scalds and bruises, it allays pain and is healing. 30c, 60c and $1.20 a jar. By mail on receipt of price, if your druggist is out of it or does not keep it.

SAN CURA SOAP

For tender, itching or irritable skin, wash with San-Cura Soap, the antiseptic soap that soothes and heals and kills germs of disease. Great for pimples, blackheads, and makes the complexion clear and attractive. 25c at Hennings Drug Store and Piper Bros. druggists.

Mail orders for San Cura Ointment and Soap filled by Thompson Medical Co., Titusville, Pa.

PHYSICALLY FIT AT ANY AGE

It isn't age, it's careless living that puts men "down and out." Keep your internal organs in good condition and you will always be physically fit.

The kidneys are the most overworked organs in the human body. When they break down under the strain and the deadly uric acid accumulates and the kidneys look out from under every eye, your skin reveals the delicate urinary channels causing backaching pain and the many symptoms which may cause premature decrepitude and often go even into deadly Bright's Disease.

One of the first promptings of disordered kidneys is dizziness or stiffness in the small of the back, loss of appetite, indigestion or rheumatism.

Do not wait until the danger is upon you, but at the first notice of trouble go after the cause at once. Get a vial box of GOLD MEDAL Haarlem Oil Capsules, imported direct from the laboratories in Holland. They will give almost immediate relief. If for any cause they should fail your money will be refunded. But be sure to get GOLD MEDAL. None other is genuine. In sealed boxes, three sizes.

Stop this!

At first signs of a cold or grip take

Lane's Cold & Grip Tablets

WOMEN OF MIDDLE AGE

Need Help to Pass the Crisis Safely—Proof that Lydia E. Pinkham's Vegetable Compound Can be Relied Upon.

Urbana, Ill.—"During Change of Life, in addition to its annoying symptoms, I had an attack of grippe which lasted all winter and left me in a weakened condition. I felt at times that I would never be well again. I read of Lydia E. Pinkham's Vegetable Compound and what it did for women passing through the Change of Life, so I told my doctor I would try it. I soon began to gain in strength and the annoying symptoms disappeared and your Vegetable Compound has made me a well, strong woman so I do all my own housework. I cannot recommend Lydia E. Pinkham's Vegetable Compound too highly to women passing through the Change of Life."—Mrs. FRANK HENSON, 1316 S. Orchade St., Urbana, Ill.

Women who suffer from nervousness, "heat flashes," backache, headaches and "the blues" should try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound.

Tired, Overworked Mothers What You Need is Vinol

War conditions have made the demand upon a mother's time and energy unlimited. In their zeal to do all in their power for their loved ones, they continually overwork and are soon in a nervous, run-down condition. Vinol, the non-secret cod liver and iron tonic, will build you up and make you strong.

HERE IS PROOF

Whitman, Mass.

"I suffered from a nervous, run-down condition and loss of strength so it was hard for me to get around and do my work. After other medicines had failed to help me Vinol restored my health and strength and I heartily recommend it to anyone suffering from a nervous, run-down condition."—Mrs. R. M. Little.

Cleveland, Ohio.

"I keep house for my husband and myself and got into a weak, run-down condition, no strength, languid and no ambition. After doctoring for awhile and getting no better I tried Vinol and to my surprise it built me up and strengthened my whole system. It is certainly a good tonic."—Mrs. Wm. D. Dawson.

CALIFORNIA NORMAL NOTES

The patriotic entertainment rendered by the Seniors on Saturday evening, March 8th, was one of the best occasions of the year. Miss Ruth Sphar presided over the Continental Congress as John Hancock. The young women taking the parts were dressed in Colonial costumes and made a fine appearance. Every person present made a definite image of conditions at the time of the continental Congress. It was a splendid illustration of teaching history thru drama.

Among the visitors present during the week-end at the Normal were Miss Elizabeth White, class of '17, of New Kensington, Misses Anna Braum Josephine Camp, both of the class of '18, of Elizabeth, and Miss Jessie McWilliams a member of the Junior class of last year, of McClellandtown. Miss Madalan Logan entertained her father on Sunday. Misses Dorothy and Marjorie Shidler of Marianna entertained their brother on Sunday.

Miss Anna Buckbee, who has been one of the most famous teachers in the Normal faculty has been compelled to retire on account of ill health. The Board of Trustees at their regular meeting granted her a leave of absence, with pay, until such time as she will be able to take advantage of the State Retirement law.

Prof. Harry Werner, of Berlin, Pa., class of '15, who has recently returned from service in the U. S. Army, has been chosen as an additional member of the faculty for the rest of the year.

Prof. G. F. Dunkelberger addressed the teachers at the regular faculty meeting on Tuesday evening on the subject "The Psychology of High School subjects." It was a splendid book review of a book by Dr. Judd of Chicago University.

Principal W. S. Hertzog addressed the teachers and seniors of Mt. Pleasant borough Wednesday afternoon, March 12th, on the subject "Education After the War."

A large number of the faculty expect to attend the Alumni Banquet given under the auspces of the Allegheny County Alumni Association the Hotel Chatham on Friday even March 14th.

Miss Margaret Stahl who will appear in the Normal Lecture Course on Friday evening, March 21st, will read the popular comedy "The Country Cousin" by Booth Tarkington.

Prof. and Mrs. Entz and Prof. and Mrs. Dunkelberger attended the commencement in Charleroi on Monday evening.

At the regular meeting of the Board of Trustees on Thursday evening, March 6th, a recently appointed member made his appearance for the first time. Mr. Cash Dorsey of West Brownsville received his appointment to take the place of Mr. Charles Thomas of Donora. Mr. Dorsey enters upon his work with enthusiasm and energy.

Recently the California High school girls played the Charleroi High School girls and the score was a tie. The decision will be rendered in a game on a neutral flor. Ths game will be played in the Normal gym on Saturday evening, March 15th, at 7 o'clock.

BIRTHDAY PARTY IS HELD FOR MRS. O'CONNOR

Mrs. Mary O'Connor was pleasantly surprised Wednesday evening when about thirty of her friends assembled at her home in honor of her birthday. The party was in the form of a St. Patrick's party. Mrs O'Connor was the recipient of many beautiful gifts. Guests were present from Wheeling, Monongahela, Roscoe, Califrnia and Vesta. They departed, wishing her many more happy birthdays.

William Tomlinson, who was stationed at the Great Lakes Navel Training Station, near Chicago, for eight months, has been discharger from service, and is now visiting with friends in Charleroi and Monongahela.

The legislators down at Harrisburg seem to be very anxious to raise the salaries of many public officials, possibly justifying their action on the high cost of living.
